Trip to Belfast – Images from Site Visits

With the European Health Property Network

The Arches

Civic Presence and Identity

The Arches

The Arches

Main communication foyer –
nature and light in a tight
urban site

The Arches

Café in foyer – people choose to socialize in the building

The Arches

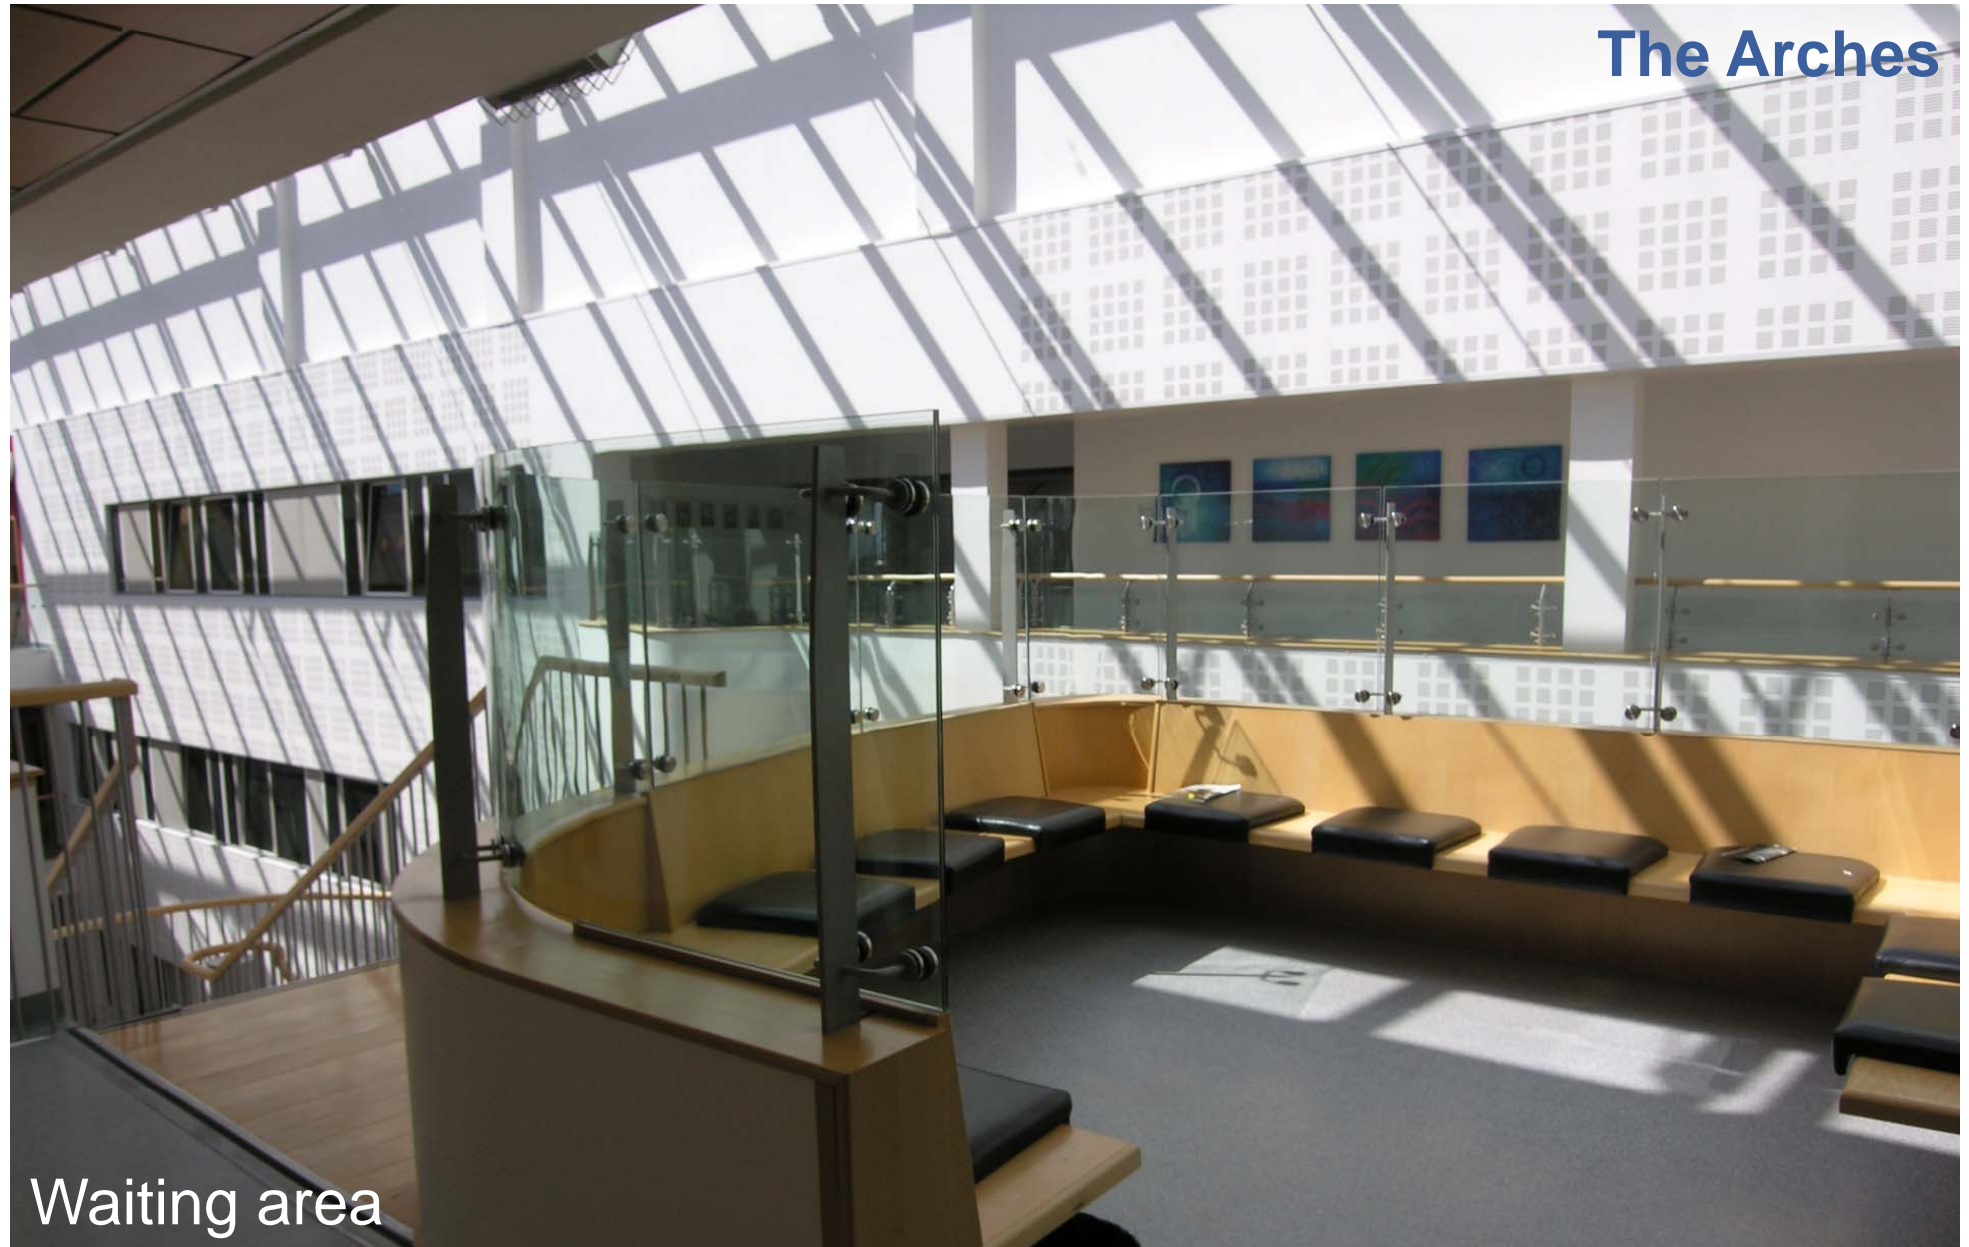

Waiting at 3 levels visible from
foyer, stairs and lift

The Arches

Main communication foyer –
view from waiting area

The Arches

Waiting area

The Arches

Sound attenuation in foyer –
space is active but not noisy

The Arches

Colour and art to give identity

The Arches

Staff cafe

Many thanks to:

The European Health Property
Network for allowing us to join their
workshops and site visits

NHS Northern Ireland for offering
such interesting buildings to visit.

A+DS – here to help
